Scope of work

Replace the existing central air conditioner with a new matched condenser and coil, reconnect to the existing ductwork, charge the system and test operation.

Not included

Ductwork replacement, electrical panel upgrades and drywall or finish repairs are not included unless listed.

Terms

- This estimate is valid for 30 days.
- A deposit of 30% is due to schedule the work; the balance is due on completion.
- Changes to the scope are agreed in writing before the work is done and may change the price.
